Gen. 194

323-B

Office of the R.L.A.

A revised draft is sent herewith. General Department should verify whether it carries out its intentions

2. There appears to be no legal objection to the Council nominating the Director General, Indian Medicial Services or any other officer selected by him as its representative for the purpose of inspection under section 15 of the Bombay Nurses, Midwives and Health Visitors Registration Act, 1935.

If it is intended that the Council should maintain a list of "Anxiliary Service Nurses trained in the Province of Bombay" not qua register of qualified nurses but merely qua a list of probable candidates for special probation curriculem under rule 20, a by-law to cover such a list would in my opinion be intra vires section 23(1) (b) and (N). It must however avoid levying any fee in the absence of statutory sanction (as in section 12 or 22 (2). (d).).
